## BUILDING AND GROUNDS TEAM

### Team Leaders: Chris Campbell & Michael Robbins

Delta Roofing and Euro Construction are still working hard to get us back in the sanctuary as fast as they can. They are still in the welding certification and permit application process and we're praying things will start in the coming weeks.

Please keep the Building & Grounds Team, Delta Roofing, Euro Construction, and all of the other sub-contractors in your prayers, praying for their safety and a quick completion of the job.

Again, I know this process is taking a lot longer than any of us wanted or anticipated, but I truly believe that it will be complete in His time. Remember Romans 8:28, "And we know that all things work together for good to those who love God, to those who are called according to His purpose."

## PASTOR SEARCH COMMITTEE

**Leader: Chris Campbell**

The Pastor Search Team is actively receiving resumes and are reviewing them as we search out the man that God has called to shepherd this flock. We ask for your continued prayers for the team, that God will continue lead us through this process and give us wisdom and discernment as we filter through the resumes. Please continue to pray for the church and our future Pastor.

## LOTTIE MOON CHRISTMAS OFFERING

### To support international missionaries and their families

Our Lottie Moon Christmas Offering goal to support international missionaries and their families is \$30,000.00. The \$30,000.00 goal was prayed for by WOM. We have received \$13,495.00 to date which leaves us \$16,505 short of our goal. Would you pray for God to make up the difference in the next few weeks for *"do exceedingly abundantly above all that we ask or think, according to the power that works in us, <sup>21</sup>to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen"*, Eph. 3:20-21. The national goal is \$210 million for 2025. 100% of donations go directly to missionary support, families, and resources for reaching unreached people groups worldwide.
