**Saturday, March 21<sup>st</sup> at 9am**

We will work on the garden area, pulling bushes out around the sanctuary, along with any other grounds beautification work needed. We will then have a hot dog lunch. We need many hands to make work light. Hope everyone can come and

enjoy work and fellowship. We need workers, wheelbarrows, shovels, rakes, hedge clippers, pruners, and small garden tools. Raindate is March 28th.

## BUILDING AND GROUNDS TEAM

**Team Leaders: Chris Campbell & Michael Robbins**

Praise God! Things are coming together in the sanctuary! A lot has happened since last month's update. At the writing of this, the welding repair of the main beam has been completed and the county has inspected and approved the work. The walls have been repaired and painted. The ceiling is being installed. All that's left is the carpet installation, the furniture and pews being set up, cleaning, and the audio/visual equipment being placed, and internet being set up.

Don't forget our Church Work Day on March 21st from 9:00-12:00. We're going to focus on grounds beautification! Also, the Food Team is going to provide lunch when we're done!

As always, please continue to keep the Building & Grounds Team, Delta Roofing, Euro Construction, and all of the other sub-contractors in your prayers, praying for their safety and a quick completion of the job.

## PASTOR SEARCH COMMITTEE **Leader: Chris Campbell**

The Pastor Search Team is continuing to review the resumes we've received as we search for the man that God has called to shepherd this flock. I ask for your patience and support as this can be a long process. I know I have to remind myself sometimes that we're on God's timeline and not ours. We absolutely want and need your continued prayers! We pray that God will continue lead the team through this process and give us His wisdom and His discernment as we filter through the resumes. Please continue to keep our church and our future Pastor in your prayers as well.
