

GALATIANS 1:11–24

- IT is not man-made. The gospel is not a human invention - it comes directly from God's revelation in Jesus Christ.
- IT is received, not initiated. Salvation and spiritual growth begin when we receive God's truth, not when we create our own version of it.
- IT makes your old life your old life. When Christ transforms you, the past loses its power. The old life fades; the new life shines.
- IT gives purpose and calling. God set you apart before you were born. Your calling is not earned—it's a gift of grace.
- IT is for His glory, not ours. True discipleship points others to Jesus, not to ourselves. When people see change in us, God gets the glory.
