BUILDING AND GROUNDS TEAM

Team Leaders: Chris Campbell & Michael Robbins

First off church family, let us just take a moment and praise God for all He has done for us! I'm sure everyone has already heard, but I'm excited to be able to tell y'all that we're going to have our first service back in the sanctuary on May 24th! I know it took longer than we wanted, but it took exactly as long as He deemed right. Thankfully His ways are not our ways!

Even though the work is essentially complete, there's still some things that need to happen before our first service. We'll need to arrange things in the fellowship hall, hang banners, set up and test the audio/visual gear, etc. So I ask that if a team reaches out for help in getting things together, please help out if you can. We will have a work day Saturday, May 9th at 9am to clean and organize Fellowship Hall in preparation for the move back into the sanctuary.

As always, please continue to keep the Building & Grounds Team, Brotherhood Insurance, Delta Roofing, and all of the sub-contractors in your prayers.
