BUILDING AND GROUNDS TEAM

Team Leaders: Chris Campbell & Michael Robbins

We had a great work day on March 21st! We were able to remove all of the old shrubs from around the sanctuary, grade the dirt road, add plants and trees to the garden area, and clean the exterior windows of the education building. I'd like to thank those that were able to come out and help: Parker & Mildred Sutler, Roger & Earline Woods, Donna Horsman, Don Cormier, Brenda Searcy, Michael Robbins, Rick Oberlin, and Judy Hinds. Thank you guys so much!

I'd like to take a moment and praise God for all He's done for us with the sanctuary. I know it has been a long time, but we must remember that we're on His time and He has definitely provided for us! Things are moving quick now. By the time you read this, the pews will have been placed and the stage set back up. After that will be finishing the lighting, a deep cleaning, and then placing everything back where it was. We're almost there!

As always, please continue to keep the Building & Grounds Team, Delta Roofing, and all of the sub-contractors in your prayers, praying for their safety and a quick completion of the job.
